

Growth Group

Decemeber 11, 2010

Questions

1. Continue to discuss last week's sermon especially if you felt that there was more to discuss.

2. Have a time of prayer for the season. Here's some suggested topics for prayer:
 - a. Have people share any concerns they have about the holidays (for many it is a stressful time, or a lonely time, etc.).

 - b. For outreach during the season, the various Christmas programs going on:
 - i. Christmas Eve Community Outreach Dinner

 - ii. Christmas eve service

 - iii. Christmas morning service

 - iv. Food baskets (the recipients)

- c. Give thanks for specific things

3. This may be a good time to evaluate your growth group. Most of you have an evaluation form in your Leaders' notebook. You could use that as a resource and see how everyone views the group: what is strong and what can be improved.

4. You can also use it as a time to discuss or study something that has been of interest to the group but has been put off because of sermon based discussion.
