**IV. BRIDGE REPAIR STATUS:** We are waiting for better instructions regarding the water sealing material which is to be applied before further work can proceed on this project.

**V. SPECIAL VISITOR:** Pastor Larry attended the meeting for the purpose of thanking the members for their efforts at keeping the church looking good.

**VI. SHED:** The cleanup project will continue. Jim will seek an estimate of the cost to expand the Clothes Closet, relocate the stairway, and extend the upper floor.

**VII. SPRINKLER REPAIR:** A two-inch line has been located in the front lawn. The location of the actual break in the pipe is still uncertain. This project will continue when the weather improves. Dave has access to a locator and a tool to bore beneath the driveway.

**VIII. AKB SIGN-UP:** John reminded those who participate in the Alliance Kingdom Builder projects of the need to sign the release form.

**X. LIGHTING:** There was a brief discussion of the lighting needs at the FLC stage and in the main sanctuary.

Respectfully submitted,

Bill Manthey
