At Home This Week

1. Is there a correlation in your life right now between lack of peace and the need for repentance? If so, discuss this with trusted others.
 2. Of these eleven offensive tactics against the Enemy, which ones are you doing well at? Not so good? If needed, what changes will you implement this week?
 3. Go check out Campus Crusade for Christ's website looking up the section on fasting. Read and discuss its contents.
 4. How is your faith involved in envisioning a dream that qualifies for the "immeasurably more than all we ask or imagine" category? If you don't have a "God sized" dream/vision...will you start asking Him for one?
