Summer Newsletter

What's new in CORE 912?

CORE 912 sent a team of 14 students and 9 adults to Mexicali, Mexico on a week-long missions trip in April. This trip taught our group to have a heart for the lost, and that our work matters! We are excited for how God will continue to use this partnership with Luz Admirable Church in Mexicali for years to come! Thank you to all who supported our trip both spiritually and financially. **You** made a difference!

How Can I Serve?
